Dear Clerk, 1:00-CR-050-02

Thank you for your patience and
time concerning my situation!
and thank you very much for your
decision.

Thank you for affording a notice of
appeal on my behalf.

Since I have no limited access to the
courts viewing the situation that I am
in, I would like to request counsel
in the form of Mr. James M. Feldman, Esq.
50 Rittenhouse Place, Ardmore PA 19003. Mr.
Feldman is a former Counsel of mines that
was hired for me to review a forthcoming
offer, in "2005". Therefore I pray that
this Court Appoint (James) M. Feldman as
counsel (attorney at law) to represent me
for this appeal. Due to my right to
counsel.

Mr. Theodor I did not represent me to
the fullest and to the best of my interest
and therefore I did not agree with his
representation. He was excused from my case
upon request.

Thank you for
your time!

Dear Mr. Simmons:

After I read your recent letter, I looked back over my notes concerning your file. I was in the middle of evaluating your case when the money ran out. So I never completed the evaluation. From my brief review of my notes, I see that your case involved cocaine base. As you may know, the Sentencing Commission recently amended the crack guideline and made it retroactive. That means that it may be possible to reduce your sentence. I have enclosed a prisoner alert we prepared on the subject. Since you already filed a lost a § 2255 motion, this is probably your best chance at a lower sentence. If you are interested in retaining the Law Offices of Alan Ellis to look into this for you, I suggest you contact Mr. Ellis at his California office.

Sincerely,
